vs.	:

	:	ORDER NUNC PRO TUNC
DEKALB GENETICS CORPORATION, et al.,	:	
	:	
Defendants.	:	

It has come to the Court's attention that the Order entered on May 5, 2000, contains an error. The following paragraph is substituted for the first paragraph on page five.

Therefore, any dispositive motions relating to the issue of statute of limitations and laches on any of Plaintiff's claims of misappropriation shall be filed by September 1, 2000. Resistance to the motions shall be filed by October 1, 2000, and replies by October 15, 2000. If the trial court determines that a material question of fact precludes entry of partial summary judgment, it will determine then whether bifurcation, and a prompt trial of that issue is appropriate.

IT IS SO ORDERED.

Dated this 17th day of May, 2000.

UNITED STATES MAGISTRATE JUDGE
